EDITORIAL

From the Desk of the Editor-in-Chief

It is a great pleasure that in the midst of several problems being faced by us from different angles, we have been able to publish Volume 2, Issue 4 of our coveted journal *The Contour* within the stipulated time. It is also remarkable that with this issue, Volume II of *The Contour* completes its full circle. We openly seek all kinds of help from all corners so that our humble endeavour can survive in the academic arena with its head held high.

It is hereby declared that the views and observations presented in the writings are solely of the respective authors, not of the editor/editorial board of the journal.

We sincerely and humbly express our indebtedness to all involved in this venture. We express a deep sense of gratitude to the members of the editorial board and the contributors for their active support. Special thanks should go to Suman Saha and Samarpan Chatterjee who with their expertise in computer have worked strenuously and sincerely for giving the shape to the journal.
